SKILLS

- Outbound calling and objection handling
- Data entry and record keeping
- Appointment scheduling
- Customer communication
- IT and digital tools
- Meeting deadlines
- Teamwork

LANGUAGE

- Arabic: native
- English: TOEFL C1, Cambridge B2, British Council B2
- French (Beginner)

ABOUT ME

Clinical-year medical student at Mansoura National University with pharmacy, clinical and IT experience. **Clear, confident English (TOEFL C1)** and a polite, professional phone manner. Skilled at outbound calling, appointment scheduling and accurate record keeping. Holds Cisco and Microsoft certification in IT management, so I pick up CRMs and new tools quickly. Reliable, organised and available for part-time UK hours.

EXPERIENCE

Digital Operations & Community Manager (freelance), *Myself*
02/2022 – 10/2025 | All around Egypt

- Run Telegram channels for medical, nursing, pharmacy and engineering students, sharing materials and answering student questions (**[800+]** members).
- Built and manage a Telegram bot that distributes lectures automatically to students.
- Plan and publish promotional content on Instagram to bring new students to courses.
- Coordinate a doctor's course with a learning centre, tracking student enrolment and revenue shares.

Pharmacy Assistant, Al-Maghawry Pharmacies , New Damietta, *Almaghawry*
04/2022 – 09/2026 | New Damietta

- Serve about **[250+]** customers per day face to face, advising on over-the-counter products and handling questions and complaints politely.
- Manage branch inventory and keep stock records accurate.
- Provide in-store IT support, solving system problems without interrupting service.
- Received a Certificate of Quality and Experience.

Educational Software & Design (freelance), *Myself*

- Develop educational and administrative software tools for medical educators.
- Design branding, book covers and lecture materials for doctors and courses.
- Learn new tools quickly and deliver work on deadline for different clients.

Medical Student & Researcher | 2021 – Present,
Mansoura National University
07/2021 – Present | Mansoura

- Received recommendations and nominations from attending physicians during third- and fourth-year clinical rounds.
- Honored with a Distinguished Doctor certificate for my role during the COVID-19 pandemic (2021).
- Received a Certificate of Quality and Appreciation from Najida Academy for Scientific Research.

EDUCATION
